

MOUNTAIN MEMORIES

A Move Ahead Positively Project

Dear _____

If there was a meaningful way for your business to show thanks to our local war veterans, you'd want to be a part of it, wouldn't you? Well, there is a way -- and it's right here in southern West Virginia.

We know you receive many requests for help from many worthy organizations. But few of them translate into such a **real benefit for local men and women** – heroes to whom we owe so much. Too many of our soldiers come home from war hurting -- physically and emotionally. Often, they need a place to go where they feel safe and supported.

Mountain Memories is a 65-acre retreat in the foothills of Ghent, in Raleigh County. It features comfortable accommodations, and a peaceful atmosphere. It's been the dream of the Dayton Meadows family to make this getaway available to **veterans of all wars, who may need to escape from their everyday stresses for a little while**. With your help, our veterans can look forward to a weekend at this beautiful retreat **at no cost to them**.

Mountain Memories is rented approximately six times a year to Move Ahead Positively, a 501 (c) 3 organization, who coordinates bringing in the veterans' groups. This non-profit group was formed in 1995 to provide advice, support, and resources to people in our community who have suffered serious personal loss.

Move Ahead Positively relies on support from businesses like yours, Americans who understand and are grateful for the sacrifices our war veterans have made for us. These donations enable us to offer our beautiful mountain retreat to veterans' groups at no cost to them. What a great way to give something back to those who fought for you!

A member of our staff will be contacting you by phone in the next few weeks to answer any questions you might have about this unique program, and to tell you more about how your business can become involved. Thank you in advance for your consideration.

Sincerely,

Dayton Meadows
Former Marine and President, Move Ahead Positively

P.S. Remember, with your donation, our veterans can enjoy the benefits of Mountain Memories at absolutely no cost to them; your donation expresses the gratitude I'm sure we all feel and honors our veterans.
